Boxes determined by blind draw by Event administrative staff.

Boys run first in EVEN years, followed by the girls. In ODD years, it is reversed.

Boys and girls from the same school will use the same box assignment in the varsity races.

If there is an empty box, the teams in boxes outside of that school may shift toward the middle *pending approval* from the Clerk of Course.

In the Open Race, there are NO assigned boxes. D1 schools on the left-hand side of the line and D4 on the right. If the race is co-ed, line up behind the boys in whatever boxes they elect.
