

How to attach your IPICO Sport Tag to your SHOE

Please follow the instructions below to attach your IPICO Sport Tag.

If you do not wear your Sport Tag properly, we will be unable to provide you with a finish time.

NO TAG, NO TIME!

Additionally **you may compromise others' times as well!**

- Your Sport Tag is **not** disposable and must be returned at the end of the event!
We will collect your IPICO Sport Tag at the finish line for re-use at another event.
There is a \$5 per chip replacement fee for any chip that is not properly returned.
- **DO** attach your Sport Tag firmly to the upper portion of your shoe. Don't crush/ tighten too much!
- **DO NOT** attach your Sport Tag to the very top of your laces. If shoe comes untied then tag is gone!
- **DO NOT** lose your Sport Tag. It is re-useable and will be collected back after the race today.
- **DO NOT** put your Sport Tag in your pocket or wear on your arm. Your chip will not read unless it is on your shoe!
- **DO** return your Sport Tag to us if you do not finish the race or don't compete for any reason.
- **DO** Mail any found Sport Tags to: A2 Race Mgt, 1465 Folkstone Ct, Ann Arbor, MI 48105

Step 1	Step 2	Step 3
Thread BOTH of the wire ties under your shoe laces	Thread the IPICO Sport Tag onto the wire ties	Secure the IPICO Sport Tag by twisting the wires ties firmly together
