## *It's a Great Day to Be Young and Alive!*

2019 finds the Washtenaw Meet of Champions in the 10<sup>th</sup> year of its many incarnations. Renamed the Larry Steeb Meet of Champions, for its founder after his premature death due to surgical complications, the meet is celebrating its 46<sup>th</sup> birthday!

Larry was one of those educators that truly lived the life of a 'teacher'. He was a graduate of Ann Arbor High School and after an ongoing journey that took him to several schools, he graduated from Michigan State University as an undergrad and later earned advanced degrees in both physical education and social studies.

Upon his graduation from college, Larry began his teaching career at Manchester HS but ultimately moved a bit closer to home and settled in at Whitmore Lake HS where he established an incredible legacy both in his roles in academics as well as athletics. The lifelong educator taught Government, Economics and Practical Law to his students and led the WL boys and girls in both track and field and cross country after school.

Through the years, Larry has made many contributions to the district's athletic program. He led the Trojans girls cross country teams to State Titles in 1993, 1995 and 1996 and was

a runner-up in 1994. In the final year of his coaching career, he found his boys' cross country team finishing as the D3 State Runner-Up, something that pleased him to no end! He was nominated for Coach of the Year honors 10 times and won three. He was also the Michigan HS Coaches Association Coach of the Year in 1998.

Larry also served his coaches via his volunteer efforts in the Michigan Interscholastic Track Coaches Association (MITCA) in some manner in each of the decades from the 1970s to the 2000s, culminating with his selection to its Executive Board which would have resulted in his being Association President in 2008 had it not been for his premature death in February, 2007.

On the local scene, Larry, in conjunction with Elmo Morales and Don Sleeman, was instrumental in the establishment of the Dexter-Ann Arbor Run which is also celebrating its birthday this week as well!

Steeb, who is credited with helping many student-athletes achieve significant individual goals within a team setting, once said that he became a teacher because, "I felt I could make a difference in young people's lives. I've had some life experiences that I feel help me to relate to my students." He said his favorite part of being a teacher is "The students, because each is a unique challenge."

Larry is survived by his son Tyler, whom meant the world to him.

*It is this man that we honor today – we miss him a great deal and hope that his legacy lives on in the form of this great meet!*

## Boys' Track & Field Coach of the Year

**Allen Leslie\*** – [Saline](#)

- Saline's head coach since 2007 (13 years)
- Six top-ten finishes at the MHSAA State Finals, including the State Title in 2015
- 9 consecutive MHSAA Regional Championships
- 9 consecutive SEC-Red Championships
- Leads a team of over 150 athletes and manages a staff of 14+ coaches

In the SEC and Regional championships, Coach Leslie's team won just one event on the track; the 4x400. Instead of piling up individual wins, the team collected points across the throws, jumps, sprints, hurdles, and distance events, often placing several athletes in scoring positions to bring home the titles. The balance and depth of the program come from Coach Leslie's commitment to all kinds of kids and being a fan of competition of all types.

*From Al's nominator:* He drives his athletes, his coaches, and his program to championships. That is why we nominate Coach Allan Leslie for the 2019 Coach of the Year.

## Boys' Track & Field Coach of the Year

## **2019 Coaching Legend – Anthony Magni, Detroit Catholic Central**

We select Mr Anthony Magni as our inaugural “Coaching Legends” honoree. A lifelong “Catholic Leaguer”, Tony began his coaching journey in 1967 when he was hired to lead St. Paul's track team. This was the first time Tony Magni had a new first name, "Coach". Continuing into the fall, he was also tapped to lead the schools' first cross country program. Within the next two years the student coach led his cross country team to a 13-4 dual meet record, was champion and runner up in the regional meet respectively, and placed sixth at the state meet!

After graduation Magni secured a teaching job at Our Lady of Refuge. Thus, leaving the program he had just developed and taking on a new challenge. Our Lady of Refuge, being a grade school, presented a potential obstacle for Coach Magni's story of staying in high school athletics. Fortunately, after one year at Refuge a coaching job opened up at Orchard Lake St. Mary's as head cross country and track coach in 1970.

After three years at St Mary's, Detroit Catholic Central offered Tony a job both teaching as well as serving as head cross country coach and assistant track coach. After several “revolving track roles including” assistant track coach for distance and head track coach the head track coach position became a permanent title in 1990.

The Shamrocks are legendary for the consistency throughout Tony's leadership. In Cross Country, Tony's teams have earned 29 Catholic League, 16 Regional and 6 State Championships along with 19 Top 10 finishes at the State Finals. His track teams are just as successful in earning 12 City 12 Catholic and 4 Regional Championships. They have also been 3<sup>rd</sup> place at the State Finals twice.

In addition to being nominated for MITCA Coach of the year honors 9 times, winning 5 times, Tony was awarded MITCA's most prestigious coaching honor, the Kermit Ambrose Award in 1989. He is also a MITCA Past President and has been the MHSCA Coach of the year in 1984 and 1991. In 2012, after his third MHSCA selection, Tony was also chosen as the National Cross Country of the Year.
