It's a Great Day to Be Young and Alive!

2024 finds the Washtenaw Meet of Champions in the 14th year of its many incarnations. The meet, renamed as the “The Larry Steeb Meet of Champions”, for its founder after his premature death due to sudden surgical complications in 2007, the meet is now celebrating its 51st birthday!

Larry was one of those educators that truly lived the life of a ‘teacher’. He was a graduate of Ann Arbor High School and after an ongoing journey that took him to several schools, he graduated from Michigan State University initially as an undergrad and later with advanced degrees in both physical education and social studies.

Upon his graduation from college, Larry began his teaching career at Manchester HS but ultimately moved a bit closer to home and settled in at Whitmore Lake HS where he established an incredible legacy both in his roles in academics as well as athletics. The lifelong educator taught Government, Economics and Practical Law to his students and led the WL boys and girls in both track and field and cross country after school.

Through the years, Larry has made many contributions to the district’s athletic program. He led the Trojans girls’ cross country teams to State Titles in 1993, 1995 and 1996 and was a runner-up in 1994. In the final year of his coaching career, his boys’ cross country team finished as the D3 State Runner-Up, something that pleased him to no end! He was nominated for Coach of the Year honors 10 times and won three. He was also the Michigan HS Coaches Association Coach of the Year in 1998.

Larry also served his coaches via his volunteer efforts in the Michigan Interscholastic Track Coaches Association (MITCA) in some manner in each of the decades from the 1970s to the 2000s, culminating with his selection to its Executive Board which would have resulted in his being Association President in 2008 had it not been for his premature death in February, 2007.

Locally, Larry, in conjunction with Elmo Morales and Pioneer coaching legend Don Sleeman, was instrumental in establishing the Dexter-Ann Arbor Run which also celebrates its birthday this week!

Steeb, who is credited with helping many student-athletes achieve significant individual goals within a team setting, once said that he became a teacher because, “I felt I could make a difference in young people’s lives. I’ve had some life experiences that I feel help me to relate to my students. “ He said his favorite part of being a teacher is “The students, because each is a unique challenge.”

Larry is survived by his son Tyler, whom meant the world to him.

Thus, we honor Larry today – we miss him greatly and know his legacy lives on in the form of this meet!

Girls' Track & Field Coach of the Year

Casey Livingston* – [Whitmore Lake](#)

It's fitting that Casey receives the Washtenaw Area Coach of the Year at the Larry Steeb Meet, as not only was Larry the founder of this meet but he was the longtime face of track and cross country at Whitmore Lake!

Last year Casey and the Trojans began quite a run which includes the 2023 Regional track title, the 2023 Division 4 State Cross Country title.

This year, in Casey's 6th year at the helm, in addition to winning multiple invitationals, Whitmore Lake repeated as Regional Champions and added the MIAC Conference title as well!

Additionally, Trojan thinclads have broken 5 school records during this season!

Boys' Track & Field Coach of the Year

Corbin Brown, [Saline](#)

In his 13th year of coaching track and field, 2024 finds Corbin taking on the role of 'the big hat' after three years as a Hornet assistant and two years as co-head coach. Prior to that, he coached the Clinton Redwolves for 5 years. In addition to coaching Track, Corbin teaches at Saline High and coaches football as well.

This year, the Hornets ran, jumped and threw to their 13th consecutive 'double', winning both the SEC Red and Regional Championship Meet

Corbin extends a "heartfelt thanks to his fellow coaches and athletes for their relentless pursuit of excellence and unwavering commitment." And is "profoundly grateful to my wife and kids. Your love and understanding have allowed me to spend countless hours with our student-athletes, and this recognition is as much yours as it is mine. Thank you for being my biggest supporters."
