Meet of Champions

Larry Steeb Memorial Meet

Dexter, Michigan

It's a Great Day to Be Young and Alive!

2026 finds the Washtenaw Meet of Champions in the 16th year of its many incarnations. The meet, rebranded as the “The Larry Steeb Meet of Champions”, in honor of its founder after his premature death due to sudden surgical complications in 2007, the meet is now celebrating its 53rd birthday!

Larry was one of those educators that truly lived the life of a ‘teacher’. He was a graduate of Ann Arbor High School and after an ongoing journey that took him to several schools, he graduated from Michigan State University initially as an undergrad and later with advanced degrees in both physical education and social studies.

Upon his graduation from college, Larry began his teaching career at Manchester HS but ultimately moved a bit closer to home and settled in at Whitmore Lake HS where he established an incredible legacy both in his roles in academics as well as athletics. The lifelong educator taught Government, Economics and Practical Law to his students and led the WL boys and girls in both track and field and cross country after school.

Through the years, Larry has made many contributions to the district’s athletic program. He led the Trojans girls’ cross country teams to State Titles in 1993, 1995 and 1996 and was a runner-up in 1994. In the final year of his coaching career, his boys’ cross country team finished as the D3 State Runner-Up, something that pleased him to no end! He was nominated for Coach of the Year honors 10 times and won three. He was also the Michigan HS Coaches Association “Coach of the Year” in 1998.

Larry also served his coaches via his volunteer efforts in the Michigan Interscholastic Track Coaches Association (MITCA) in some manner in each of the four decades 1970 to the 2007, culminating with his selection to its Executive Board. Larry would have been MITCA President in 2008 had it not been for his premature death in February, 2007.

Locally, Larry, in conjunction with Elmo Morales and Pioneer coaching legend Don Sleeman, was instrumental in establishing the Dexter-Ann Arbor Run which also celebrates its birthday this week!

Steeb, who is credited with helping many student-athletes achieve significant individual goals within a team setting, once said that he became a teacher because, “I felt I could make a difference in young people’s lives. I’ve had some life experiences that I feel help me to relate to my students.” He also said his favorite part of being a teacher was “The students, because each is a unique challenge.”

Larry continues to be survived by his son Tyler, whom meant the world to him.

Thus, we honor Larry today – we miss him greatly and know his legacy lives on in the form of this meet!

Girls' Track & Field Coach of the Year

NANCY BOUDREAU, [Ann Arbor Pioneer](#)

Flat out, leading the Pioneer program at an elite level, Nancy Boudreau is an annual consideration for this honor, with 2026 being her 3rd selection!

Nancy has a long history of involvement with running, ranging from her youth as an age-group national champion, thru participating in the Olympic Trials, volunteer coaching at the middle school, high school and collegiate levels all the way up to being the head coach at one of the Michigan's most decorated 'running' schools.

After assisting for five years, Nancy was hired in 2015 and is now in her 11th year as the head coach for both the girls' track and cross country programs. Her Pioneers have won the SEC-Red Championship Meet in 10 of her 11 years, with a runners-up finish to complete her set. They have also been Regional Champions 7 of 11 years preceding top 10 finishes at the MHSAA Finals Meet annually. *And this is only track!*

After combining the Pioneer boys and girls programs under one staff, Nancy credits their success to "the absolute best coaching staff in the country. We combined the boys' and girls' programs this spring. The fantastic coaching staff includes Ian Forsyth, Fabian Rollins, Brian Hockley, Vern Kiehl, Derin Adunbi, Alex Snow, & Mary Blanchard."

Boys' Track & Field Coach of the Year

DAVID SLUSSER, [Chelsea](#)

A Chelsea grad, David is in 8th year as a coach in the Chelsea program with the past 4th as the boys head coach!

This year the Bulldogs finished as Regional Champions, while running, jumping and throwing to a dual meet record of 5-1 and a runner-up finish in the SEC White Division.

One of Coach Slusser's highlights of the year was "securing the regional title at our track with the 4x400 running a season best and being the 4th relay to qualify for the state meet that day.

A favorite quote of the year is from assistant coach Nick Schumann, a highly-regarded Chelsea coach in his own right, "*Run fast and turn left!*"

David offers special thanks to "my wife Brandy and my daughters Abby and Cece for supporting me this year, as well as the entire coaching staff and administration at CHS."

“Mike Smith Coaching Legend” Award **JIM WICKER, Pinckney**

The ‘Coaching Legend’ award honors one of the area’s most respected coaches, Saline’s Michael ‘Mike’ Smith who we lost in the summer of 2021. Mike coached track and cross country for over forty years at Grass Lake and Saline High Schools with the majority of his thirty-nine years at Saline. His boys’ and girls’ teams earned many championships/titles under his guidance. The Hornet girls cross country program earned twenty-two conference championships, sixteen regional championships, twenty-one top ten state finishes, two state runners-up and a State Championship. Additionally, the girls’ program had over 100 athletes annually from 2006-2015!

Mike was named MHSCA Coach of the Year in 1993 and 2011 and was a MITCA Coach of the Year Nominee *twelve times*. He is a member of the MITCA Hall of Fame. He has been recognized nationally as the National High School Coaches Association Coach of the Year in 2015 and National Scholastic Athletic Foundation National Coach of the Year in 2016.

Mike’s many accolades are not what made him an effective and beloved coach, but rather they were the result of it. Mike inspired people to be the best they can while creating an environment that draws student-athletes in. This is best shown by the fact that with ‘Mr. Smith’ at the helm his team grew to over 100 runners. His peers and athletes alike went to him with questions. He always modeled the best in coaching, in leadership and in helping young people become the best versions of themselves.

This year’s Mike Smith Coaching Legend Award goes to one with a special connection to our meet’s founder!

Pinckney coach, and alum, Jim Wicker was actually hired as a brand-new coach by Meet of Champions founder Larry Steeb in 1988 to be the girls coach at Whitmore Lake HS!

Being a “coach’s son”, Jim credits the examples, council and mentorship from his father, Jim Sr, himself a longtime coach at Saline and Pinckney, and Larry Steeb, for their strong influences

A local coach indicates, “*Regardless of the makeup of his teams, heavy in experienced or newcomers, he produces successful and competitive teams annually.*”

Jim says, “*I have been very blessed to coach some very talented athletes through the years and would not be here today if it were not for them. They make me look like I know what I am doing, and I am grateful to everyone I coached for the opportunity. It is the best part of my day to be at the track working with young people and helping them become more fit and grow as athletes and into adulthood.*”
